

TRIP LEADER'S EMERGENCY PLANS

In planning a trip it is important to recognise that you are expected to return home on an appropriate date or time or to arrive at a particular destination when you say you will. There are always other external parties that are affected by where we go and to this end it is important for all participants to know whom to contact for information when things go wrong or emergency contact is required to a trip participant.

Trip Name		Trip Date	
------------------	--	------------------	--

Ground Charlie or External Contact Details

Contact Name			
Address		Postcode.	
Phone Numbers	Home:	Mobile:	Work:
